Be it resolved that Lodge 127, B.L.D.E.  
request our Legislative Representative  
Bro. Best to use his influence along  
with other labor leaders to have the  
Dominion Government appoint an un-  
employment commission to enquire into the  
conditions, it being our belief that un-  
employment is becoming more serious  
every year & that some means of taking  
care of those that suffer from this  
condition other than the temporary local  
measures now in effect should be in-  
stituted by the Dominion Government  
such as unemployment insurance etc,  
and be it further resolved, that if this  
commission be so appointed that Bro.  
Best use his influence to have a  
representative of the railroad employees

appointed on this commission, Carried.

Meeting closed at 22.50.
